APPOINTMENTS: WHY WE SERVE

Maryland's boards and commissions are a critical extension of state government: They regulate industries, issue professional licenses, oversee our public institutions, administer state funds and help shape key policies that impact all Marylanders.

On behalf of the Governor, the Appointments Office appoints the individuals who lead and serve on these 600+ largely volunteer bodies.

With every appointment we are driven by Governor Wes Moore's commitment to excellence and equity and strive to: expand access to board service, attract the best talent possible to serve, and make our boards representative of the state and diverse communities they serve.

Please join us to make Maryland the state that serves, and that leaves no one behind.

Secretary Tisha Edwards
